

# Our Best Advertisement is You!

So as a great, big “Thank You!”, today we are introducing our very own Referral Program.

When you refer anyone to us and they hire us to perform any service, and become one of our valued clients, we will provide to you a free house cleaning (up to \$100 in value)!

Please remember to let us know when you make a referral or have the new client tell us by whom they were referred so that we can give credit where credit is due!

And once again, Thank You for your patronage and your business!
