Volume 1, Issue 1, Feb. 1, 2010

Our Very First Newsletter! — This is the first in what will become a regular feature for us... and you. Our goal is to share useful information with you about the surrounding area and to provide guidance on maintenance issues. We hope you will find it useful.

If there is anything you wish to see included please let us know. If you no longer wish to receive this newsletter please click on the link at the bottom of the page.

Hope ya'll enjoy it!

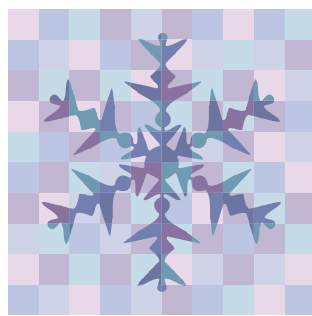

Address Change Alert!

Union County has decided to change everyone's address to better facilitate 911 response. In fact, they have changed ours twice! They must really like us.

288 Notla Vista I
Blairsville, GA. 30512

Please make this change in your records so correspondence will continue unabated. We would hate to skip a single communication from any of our customers.

Address Change Alert!

IT'S COLD!

The temps here in North GA. have been waaaay below the norm. Of course, it's been that way for a large portion of the country. We hope that you remembered to winterize your home here.

Tips For Winterizing Your Home!

- Disconnect hoses and cover all exterior water faucets. While you are at it don't forget to drain those hoses!
- Close all crawl space vents and doors.
- Make sure well pump housings are heated or adequately insulated.
- Turn your water off and drain pipes by opening the lowest faucet until water flow stops and then close. If you don't wish to turn your water off we suggest leaving your heat set @ 50° - 55° F. This option may cost you a few more dollars.
- Call **Complete Home Services** to schedule a security check during extreme cold snaps.

Lawn & Landscape Activities for February

- Pruning of trees, bushes and other landscape plantings.
- Fertilize trees and shrubs
- Broadcast pre-emergent for turf weeds.
- Cut back established ornamental grass plantings.

...A Note From Cindy ...

Due to the continued growth of **Complete Home Services** I have brought Donald Caraway in as a partner. Donald possess the honesty & integrity that I value, require and is the backbone of **Complete Home Services**. Donald joined the company last summer and I would like to introduce him at this time.

Donald's ability to supervise and handle all of our more labor intensive jobs (landscaping, gutter cleaning, grading & tree removal) stems from his 20 year background in organics, soil fertility, animal husbandry, entomology and home maintenance. The addition of Donald allows us to offer our services more efficiently & environmentally friendly.

I have had the pleasure of meeting each and every one of you and I hope that in 2010 you and Donald will have the chance to get to know each other as well.

Thank you for all of your support in 2009. We look forward to working with you in the future and helping with the ongoing maintenance of your home and property.
